EDUCATION

•**MIT Academy of Engineering** — *2020-24*
Btech Computer Science Engineering — CGPA: 9.2

•**MGV and Jr. College** — *2020*
Board of Intermediate Education,Maharashtra — Percentage: 85.54

•**KTES English Medium School** — *2018*
Board of Secondary Education, Maharashtra — Percentage: 91.2

EXPERIENCE

•**Seco tools ltd** — *05/2022-06/2022*
IT intern — Pune
 – Learn the Acrhitecture of SD-WAN
 – Implemented the One separate SD-WAN , password protected and encrypted for the maintainance Department.

•**Ethical Edufabrica pvt ltd.** — *03/2021-06/2021*
Technical Associate training — Pune
 – Learn the concepts of networking and threats possibilities to the web based systems.
 – Implemented a SQL inject attack project on a Website, that was lacking security.

PERSONAL PROJECTS

•**Farm-Agri (Farm-ecommerce website)** — *June 2021-May 2022*
Backend developer

 – Tools & technologies used: HTML,CSS , Javascript, PHP, SQL ,Webhost cloud.
 – I created a web-based Full Stack E-commerce platform that facilitates agri-ecommerce. The platform enables farmers to sell their produce directly to industrialists, who can then purchase it from the farmers.

•**Farm-Agri Plant Disease Detection And Cure** — *June 2022-May 2023*
I developed the 15 layer cnn model

 – Tools & technologies used:Python, Flask
 – An Extended project feature for the farmagri web application that can detect disease of plant using the CNN algorithm, with the best accuracy and then provide a cure for it.

•**Pet Shop Management System** — *Jan 2023-May 2023*
Frontend design, Backend Developer

 – Tools & technologies used: C#.net, Microft sql server.
 – I developed a pet shop management system in C#.NET and Microsoft SQL Server, automating inventory, customer, and sales management. The app features real-time inventory tracking, customer data management, sales tracking, and customizable settings. It is user-friendly, secure, and scalable to any pet shop.

TECHNICAL SKILLS AND INTERESTS

Languages: C++,C#.Net, PHP,HTML,CSS,Python
Developer Tools: Github
Frameworks: DotNet
Cloud/Databases: SQL,Webhost Cloud
Soft Skills: Communication, Leadership,Problem solving, Team work, time management
Coursework: Database Management,Computer Networks,Project Management, Python Essential
Areas of Interest: Web Development,Social Networking

POSITIONS OF RESPONSIBILITY

•**Member** Shuttersberg — *2022*

•**Member** GDSC — *2021-22*

ACHIEVEMENTS

•**Competative programming** CodingNinjas Earned Champions Badge (100+ problem solved)

•**Winner**Volleyball Team Member — *2023*
